

Transfer Agreement Programs

LA CITÉ COLLÉGIALE

The cooperation between the two post-secondary institutions allows the College graduates to undertake academic studies in a variety of intensive programs. The transfer agreements reached between La Cité collégiale and Saint Paul University represent a considerable opportunity for students who enter the labour market. The acquisition of a university degree, combined with a college diploma, places these future professionals at the heart of new areas of expertise.

For more information on the educational programs being offered, please consult the section “Programmes d’ententes d’arrimage” in the French version of the Program Directory.
