

**Autobiographical Questionnaire  
for candidates seeking admission to the  
MASTER OF ARTS IN PUBLIC ETHICS**

---

**Name:**

**Date:**

---

Please provide answers (one-two paragraphs) for each of the following questions on separate pages:

1. Explain why the program for which you are applying is appropriate for you.
2. What particular knowledge and skills will you bring to the program?
3. Outline aspects of your current and previous research, professional and personal experience which are particularly relevant to the program for which you are applying.
4. What areas of expertise do you hope to develop through your graduate program?
5. What professional activities do you hope to be doing after your graduate studies?
6. Have you communicated with members of the Faculty of Philosophy regarding your application? Provide some brief details.
7. Which area of Public Ethics would you like to pursue in your dissertation research?
