

Graham Pinsent Memorial Bursary

(Information seulement disponible en Anglais)

The Graham Pinsent Memorial Bursary is a 500\$ bursary given to an LGBTQ youth who is 25 or under, has been accepted to or currently attending post-secondary education, and demonstrates financial need.

Graham was an active member of The Youth Project of Nova Scotia. He was known and loved by many and was always willing to lend a hand, especially to the youth project. It was felt by many that a memorial bursary to help other LGBTQ youth in their pursuit of higher education was fitting way to personify Graham in his struggle to complete his education, as well as the spirit he left to the Youth Project.
