

**IDRC Doctoral Research Awards 2019**  
*(Information disponible seulement en Anglais)*

This scholarship is offered by the International Development Research Centre. This call is open to Canadians, permanent residents of Canada, and citizens of developing countries pursuing doctoral studies at a Canadian university.

**Deadline: May 23<sup>rd</sup>, 2019;**

**Amount: 20,000\$;**

**Eligibility Criteria:**

- You must be a citizen or permanent resident of Canada, or a citizen of a developing country, excluding countries in Southern and Eastern Europe, South Caucasus, and Central Asia (but including Afghanistan);
- You must be enrolled at a Canadian university at the doctoral level (when you submit your application, you must have completed several courses of the doctoral program, but not necessarily all courses);
- Your research must be approved by your thesis supervisor. Please provide proof.
- Your proposed field research must take place in one or more developing countries and be conducted for a doctoral dissertation;
- Your field research must correspond to IDRC thematic priorities. Applications proposing field research outside these thematic areas will not be considered;
- You must provide evidence of affiliation with an institution or organization in the developing region(s) in which the research will take place;
- You must have completed coursework and passed comprehensive exams before taking up the award;
- You may not be in receipt of two or more active IDRC awards at the same time. No time overlaps will be permitted.

**Application Process:**

- For more information pertaining to the application process and the important documents that need to be provided, please refer to the link provided below.
