

Mission Creek Orthodontics Scholarship
(Information disponible seulement en Anglais)

At Mission Creek Orthodontics, we are committed to helping students with the cost of their education. Our goal is to provide a scholarship to a deserving student once a year.

Deadline: May 15th, 2019;

Amount: \$500;

Eligibility Criteria:

- Be a Canadian resident that is currently or planning to attend a college or university in Canada;
- Be attending college or university no later than December of 2019 on a full-time basis;
- Submit an answer to the essay question on or before the deadline (the essay question can be found on the website linked below);
- Be currently in your last year of high school or a 1st, 2nd, or 3rd year college or university student.

Application Process:

- Complete the application form (the application form can be found on the website linked below);
- Answer the essay question:
 - “The year, you have been asked to buy a toy for an 8-year-old child in the local elementary school. Your only guidelines are the following:
 - The toy must not require power to operate (i.e., no batteries or plugins are necessary to use the toy)
 - The toy must help the child develop a skill that is beneficial in an educational environment. For example, many studies suggest a correlation between spatial skills and early interaction with toy blocks, such as Legos. Good spatial ability is essential in engineering, physics, math, and computer science.
