

Novus Biologicals Scholarship Program
(Information disponible seulement en Anglais)

Research is a critical component for the development and advancement in the life science community. We want to further scientific achievement by helping students who are interested in developing a career in science.

The Novus Biological Scholarship Program is awarded to students pursuing a degree in a science related field twice a year. A \$1,500 scholarship will be awarded to one student for the fall and spring semesters.

Deadline: July 31st, 2019;

Amount: \$1,500;

Eligibility Criteria:

- Must be currently enrolled/accepted at a university. If selected, the funds are sent directly to the university listed in the application to disperse.

Application Process:

- Complete the application form (the application form can be found on the website listed below);
- Recent official/unofficial transcript;
- Write a personal statement of 500 words or less on where you see yourself in 10 years in your field of interest using the degree you are working towards;
- Submit a 200 character (including spaces) statement on what you wish to teach others using your degree.
