 - The essay must provide a thesis statement (in the introductory paragraph). It must be clear and coherent, and it must answer the question that has been put forth on the application);
 - Every essay must follow the basic rules of format and grammar. Every paper must contain a beginning (introductory paragraph), a middle (several supporting paragraphs that comprise the body of the paper), and an end (concluding paragraph). Grammar is vital for essay composition. Sentence fragments, misspellings, and improper punctuation denote a carelessly-written and poorly-conceived paper;
